

Human Reproduction Study Group 11th Annual Conference, Thursday 21 June 2012 Bailrigg Conference Centre Lancaster University, Lancaster, UK

The 11th BSA Human Reproduction Study Group's conference promises to be an exciting day with a mixed programme this year that includes papers on breastfeeding, caesarean sections, donor conception and reproductive loss. Delegates are coming from all parts of the UK and from as far afield as Australia, the Czech Republic and Italy.

Abstracts Submission is now closed

Conference Details

Professor Gayle Letherby from the University of Plymouth will be giving the plenary address.

Attending the Conference

Accommodation can be booked through the University Conference office. Please contact Benjamin Milby (B.Milby@lancaster.ac.uk / 01524 592 899) for single room campus accommodation starting from £42 per night including breakfast.

An informal social gathering the evening before the conference (Wed 20th June) has been arranged. Please meet Laura and Sam at the Sun Inn at Lancaster City Centre from 7.30pm. Directions, menus and contact details of the Sun Inn can be found at the following link: <http://www.thesunhotelandbar.co.uk/default.asp>
