In the Chair: Professor Rob Mears, Chair of the BSA Council

The Annual Members' Meeting is the principal mechanism by which members can register their views on services and strategy within the Association. It is also an opportunity to discuss matters concerning the state of the discipline more widely. Members of the BSA Council will speak to the Annual Review, explaining current strategy, and will invite and listen to members' comments on the ways in which the Association is achieving its objectives. There will also be the opportunity for an open discussion on the effects of the funding cuts and changing priorities in higher education on sociologists and the BSA.

All members are welcome
