

WES publishes book reviews in each issue of the journal to help readers to stay up to date with the latest publications in the sociology of work and employment.

All books listed below are available for review. Please email the Reviews Editors, Maria Adamson (M.Adamson@mdx.ac.uk) and Nick Clark (N.Clark@mdx.ac.uk) if you would like to write a review for the journal. We also welcome suggestions for joint book reviews where books on similar topics could be reviewed alongside each other.
