Keynote: Maggie O'Neill (University College Cork)

Confirmed Speakers: Helen Lomax (University of Huddersfield),

Julia Everitt (Birmingham City University) + More TBC

Organisers:

BSA Visual Sociology Study Group

E: info@visualsociology.org.uk

How do we make meaningful visual materials to think with, analyse and distribute? In this workshop, participants will engage with various innovations in the production, analysis and dissemination of visual material in social research.

We will explore methods that are affective and imaginative, creative and participatory. Our examples will include, but are not limited to, photography, sketches, participant-generated and found images.
