*\*Note: Inquiries highlighted in yellow may be of special interest to multiple disciplines. Inquiries highlighted in blue specifically relate to the Covid-19 pandemic.*

*\*\*The EU portal now limits UK access to its 'Have your say' portal, understandably restricting it to EU citizens and businesses. We will therefore be phasing out the inclusion of EU consultations in our policy monitor. We have included below only those inquiries of which we were already aware, for your information.*

*\*\*\*As a result of the above, we will now move towards including the consultations and inquiries undertaken by the devolved governments and parliaments of the United Kingdom. From this month, we include Northern Ireland, Wales, and Scotland.*
