4.45-5.00: Closing Remarks

Panel 1: Health, disability and wellbeing:

- **Austerity, Spatial inequality, and disabled people ‘knowing our place’ and ‘being out of place’ (Kitchin 1998)** – *(Lisa Davies- University of Central Lancashire)*
- **Class, creativity, and social prescribing: a phenomenology of men seeking wellbeing in the North of England-** *(Adam Mars- Lancaster University)*
- **Gateshead: Care, Public Health and the Effects of Austerity** *(Dan Taylor- The Open University)*
- **Beyond food banks: everyday geographies of coping during austere and pandemic times** – *(Hannah Slocombe – University of Liverpool)*

Panel 2: Comparative perspectives:

- **Potholes or Poverty? The Unequal Experiences of Austerity Within and Across Localities-** (*Kate Harrison – University of Southampton*)
- **Trends in inequalities in local authority spending on Cultural, Environmental and Planning services: a longitudinal study in England, Scotland, and Wales** – (*Katie Fahy – University of Liverpool*)
- **Collectively experienced austerity: three foodbanks in a decade of austerity** – (*Stephanie Denning – Coventry University*)

Panel 3: Place, belonging and borders:

- **Stories of home and austerity for LGBTQ+ young people in Scotland.** – (*Catalina Martin – University of Edinburgh*)
- **Austerity, migration and everyday bordering in London and Amman** – (*Deena Dajani- International Institute for Environment and Development*)
- **Elephants in the Room and Castles in the Sky: a social semiotic study of a site of gentrification** – (*Shelly Asquith – University of Leeds*)
- **Alternative Futures in the Face of Crises: A Trip to Britain’s Highest Leave-voting Town** – (*Joshua Blamire – University of Exeter*)

Panel 4: Young people, education and austerity:

- **“People think ‘oh a lot of white middle class parents are getting access,’ but they’re not, actually”:** Meritocracy, privilege and micro-spatial inequalities in SEND support in a London borough – (*Rosalie Warnock – Queen Mary University of London*)
- **The double entanglement of geography and austerity: the neighbourhood and austerity experiences of disadvantaged urban youth in Ireland** – (*Sander van Lanen – University of Groningen*)
- **40 miles apart: Exploring the impact of locality in university admissions** – (*Stacey Mottershaw – University of Leeds*)
