

BSA Scottish Sociology Study Group Annual Report 2024

Convenors: Paul Gilfillan (Queen Margaret University), Alex Law (Abertay University).

Jiscmail subscribers: 63.

Balance: £161

The intention to organise the BSA60 History of Sociology in Scotland in Spring 2024 was cancelled due to one of the convenors only returning to work in January 2024 due to an issue that arose at his institution.

We have maintained the jiscmail and twitter accounts for the group to let members know of events, publications and developments, as well as answering queries from new members.

In April 2024 co-convenor Alex Law indicated he would be stepping down from his role as co-convenor of the Study Group. Over the summer a call will be made for a new co-convenor with the aim of organising an event in Scotland in the coming academic session.

Convenor contact details:

Dr Paul Gilfillan
