## Deconstructing Donation Special Interest Group

**A MULTI-DISCIPLINARY RESEARCH GROUP INTERESTED IN ALL ASPECTS OF ORGAN, TISSUE, BLOOD AND BODY DONATION.**

We are delighted to share that the next meeting will be hosted at **Bangor University, North Wales at Pontio a state of the art conference, arts and media centre within walking distance of Bangor train on Thursday 5th June 2025.**

Supported by the British Sociological Association and the Wales Kidney Research Unit. This full day meeting will be an opportunity bring together our network of researchers, academics, professionals, stakeholders, patients and the public to share their latest research and interests across the field of 'Donation'. Full details including call for abstracts will follow. We look forward to welcoming you. **Open to all including non members.**
